National Women in Roofing is a volunteer based organization with
the goal to provide networking, recruiting, mentoring and education
for women roofing professionals. NWIR will strive to provide an op-
portunity for women and men new and established, to an ongoing
success working together in the roofing industry.

*For more info about NWiR, please visit our website at
www.nationalwomeninroofing.org.*

Join us as we learn from
Laurie Spencer, President
and Owner of Spencer
Roofing the struggles she
was faced with after the loss
of her husband and how she
has succeed in keeping the
family business running.

Please E-mail Tara Gerhardt at
tgerhard@duro-last.com to let us know
if your planning on attending.
