

Springer Peterson hosts CPR First Aid Class

The ladies of Springer Peterson graciously hosted our May meeting with an educational opportunity for First Aid and CPR in their new offices. Tara Cole of Quality Roofing said, "It was great! Their new office is beautiful with a slight industrial feel. The instructor, Jamie Wetherington, was funny and great at making the lessons' serious nature be made entertaining while staying very professional. He had us go through real life scenarios to help us know how to keep our cool in dramatic situations. He said that women were most likely to be hysterical during these situations and that it makes the event that much more difficult. To which I replied, "You are talking to a bunch of roofer girls...we can handle the tough stuff" his reply was perfect. He said, "Oh, right, you will probably start asking why they weren't using their safety harness and start yelling at them." He was probably right. Women in roofing can handle anything set in front of us. Our strength and grit make us who we are! Springer Peterson went above and beyond with their refreshments and welcoming spirit. Those in attendance were Diana King, Dawn Holsinger of Delta Rep Group, Christina Smith of Suncoast Roofers Supply, Justin Burnham and Wayne Heironimus of Delta Rep Group, Brian Whitaker with Spec, DeeDee Combee of Polk County Roofing Contractors Association, Kelli Anderson of Springer Peterson, Shari Johnson of Advanced Roofing, Tara Cole of Quality Roofing and Miriah Akers of Quality Roofing.

NWIR Tampa Council is a volunteer organization so a few of us decided to pitch in and help with the monthly newsletters. Bridget Jenkins Wilson and Karen Ruel of Cardinal Roofing along with Tara Cole of Quality Roofing are working together to ensure that all the events of our local council are covered and reported on. We are also spotlighting each of the amazing women who have worked so diligently to make out council a success. Each of us can learn and grow from each other's experiences. We all have a unique story to share and I look forward to highlighting all of us in the future. The Spotlights are in no order. If you have any upcoming company events you would like to have put into the newsletter, or any NWIR pictures to add for upcoming months, Please send them to bridget@cardinalroofingandsolar.com, Karen@cardinalroofingandsolar.com or Tara.cole@qualityroofinginc.net be sure to include the names and company of each person in the picture. Thank you ladies and we look forward to serving you this year!
