

OPPORTUNITIES

www.NationalWomeninRoofing.org

Dear NWiR Sponsors,

National Women in Roofing has experienced another year of tremendous growth, thanks to the dedicated women in our organization backed by the support and motivation from our sponsors. As an organization of volunteers whose hands-on approach gives every woman and man involved a vested interest in its creation and celebrations, your support of our mission and our four pillars: Networking, Mentoring, Recruitment and Education has been instrumental in establishing our "hand-print" throughout our industry and beyond.

Our Annual Report (a companion piece to this document) represents our progress in membership, council development, mentoring, industry event support and communication; and the realization of exciting new programs and services on a local, regional and national basis.

This vision and your place in it as a partner with NWiR is presented here in the Sponsorship Opportunities brochure. National Women in Roofing offers four sponsor levels: Diamond, Platinum, Gold and Silver. In order to keep membership costs low for individual members, we depend on sponsors to help fund the operating budget of the association. We truly couldn't do it without you and your support is an important indication of how your companies see the role of women in the roofing industry.

We have come a long way in such a short time, yet we are always mindful of how much more we have yet to do! It is with the support of outstanding industry leaders like you that we can continue and expand on our mission together.

With great thanks and appreciation,

Heidi Ellsworth

The mission of National Women in Roofing (NWiR) is to empower women in the roofing industry.

NWiR is a volunteer-based organization that supports and advances the careers of women roofing professionals. We provide networking, mentoring, education and recruitment opportunities from the rooftop to the boardroom, for the young professional at the start of her career to the seasoned manager in the executive suite.

Our focus is on connecting and empowering women so that their training and leadership skills can help drive the overall betterment and professionalism of the roofing industry. Our membership also includes and welcomes men who support the inclusion of women in the roofing industry. Working together, we are bringing the industry to a new level of excellence by supporting and promoting the contributions of women as an essential component to the future of roofing.

To accomplish the mission, NWiR is guided by a strong framework of bylaws, policies, and programs that rely on the following pillars:

Industry Recruitment

Reach beyond traditional recruitment strategies to attract and hire women who will bring diverse backgrounds, talents and experiences to the roofing industry.

Networking

Provide opportunities to interact with women in the roofing industry, creating strong, long-lasting and supportive networks.

Education

Create high-quality learning programs and experiences for women to build successful businesses and careers.

Mentoring: Women mentor women through groups and one-to-one relationships to achieve excellence in their chosen careers and stay in the roofing industry.
